

OXBLUE NAMED ONE OF THE TOP

101 COMPANIES IN THE NATION

Best and Brightest released their top companies in the United States who displayed a commitment to employee enrichment.

ATLANTA, FEBRUARY 15, 2019 – OxBlue, the leader in construction time-lapse camera services, receives recognition from Best and Brightest as one of 2018's Top 101 companies to work for in the nation.

OxBlue excelled due to its commitment to excellence in operations and employees' dedication to their roles which leads to increased productivity and financial performance.

Best and Brightest asks an independent research firm to choose which companies across the United States exhibit exceptional human resource and employee enrichment practices. Businesses are assessed in several categories including communication, work-life balance, employee education, diversity, recognition, and retention.

OxBlue's dedication to communication and shared vision creates an atmosphere among employees that fosters leadership and promotes growth. Employees are encouraged to make suggestions and bring forward ideas to improve the organization, so OxBlue continuously enhances its culture and brand.

“WE BELIEVE THAT CREATING AN EMPLOYEE-CENTRIC CULTURE CREATES A FIRST-CLASS CLIENT EXPERIENCE BECAUSE EVERYONE STRIVES TOWARD THE SAME GOAL.”

– CHANDLER MCCORMACK, OXBLUE CEO

The organization is honored to receive a national Best and Brightest award for the fifth year. One of OxBlue's goals is to develop a culture where people want to work and can find success in their roles.

“OxBlue's employees are integral to the growth of the company, which is why we want to include them in every area of our strategy and vision,” says Chandler McCormack, OxBlue CEO.
