**OxBlue Corporation Named One of the 2019 Best and Brightest
Companies To Work For In The Nation®**

February 14, 2020 (ATLANTA, Ga.) - OxBlue Corporation, an Atlanta-based technology company and the leader in professional construction camera services, was recently named one of the 2019 Best and Brightest Companies to Work For in the Nation®, which recognizes companies that distinguish themselves as having the most innovative and thoughtful human resources approaches. This marks the fifth time OxBlue has received the recognition.

Determined by an independent research firm, each entrant is evaluated on key values such as work-life balance, diversity, strategic company performance, compensation and more.

“National recognition of OxBlue for innovation and culture is a testament to the great team we have,” said Chandler McCormack, co-founder and CEO of OxBlue Corporation.

“With the war on talent hitting the door steps of the Best and Brightest, this achievement means even more than it did a year ago. As we continue to raise the bar, these companies rise to the challenge through cultural innovation, maximizing their workforce potential,” said Jennifer Kluge, President and CEO, Best and Brightest Programs.

In addition to being named one of the Best and Brightest, OxBlue was the winner of the Work-Life Balance Award, an elite honor given to the company best embodying the balance between work and other important parts of life.
